

**The Society of Petroleum Engineers (SPE)  
Los Angeles Basin Section  
Undergraduate Scholarships**

The SPE Los Angeles Basin Section is pleased to announce that \$500 scholarships will be awarded to undergraduate students this school year.

The undergraduate students must be pursuing their studies in petroleum, geology, chemical, mechanical or environmental-related subjects within the geographic area represented by the SPE Los Angeles Basin Section. They must maintain a GPA of 3.0 or above and be active SPE student members. Each candidate will be evaluated on his or her scholastic achievement and citizenship and community volunteer work, such as SPE Student Chapter. All information supplied on an application should be verifiable by the Scholarship Committee by the application deadline. Verification of the applicant's information may be supplied from supplied references, professors and school administrators.

The student must maintain the above qualifications and he/she can reapply for the scholarship for a second time.

The deadline for submittal of the completed application: **April 9, 2010**.  
Decision will be at board meeting on May 10, 2010.

**Application forms may be downloaded** from our website **[www.laspe.org](http://www.laspe.org)**

Submit completed applications to the SPE Scholarship Chairman at the following address.
